ENGLAND FOOTBALL

HELP & SUPPORT GUIDE

Leadership & Governance

Everything currently available under this pillar, and where to find it.

How to use this guide: each numbered block is one source of support. Text in **red** › is a link you can click to open.

1 Club Leadership Programme — WITH UCFB

Gives club leaders the tools, knowledge and networking opportunities to help them and their club thrive.

It applies modern sports models and thinking to large community clubs, including Men's National League System and Women's National League clubs.

View the Club Leadership Programme ›

2 Financial Controls — ENGLAND FOOTBALL

To move from surviving to thriving, a club's foundations need to be secure. Protecting the funds raised by members and volunteers is a collective responsibility, and clubs and leagues continue to be targeted for personal gain.

Four pillars give a simple framework for keeping money safe, transparent and where it belongs: in the game.

3 Legal & governance support — THE FA AND MUCKLE LLP

Working with a national network of club consultants, the Muckle LLP team supports County FAs, leagues and clubs of all sizes across English football. The focus is governance and legal structures, including incorporation, CASC and charity status.

VAT

VAT Assessment information for clubs

The specialist VAT advisory service from an independent sports VAT expert: how VAT affects clubhouse, changing room and pitch projects, and how to maximise recovery.

VAT guidance for clubs

A practical reference guide to the key principles: VAT registration, taxable and exempt income, VAT recovery and the implications of facility improvement projects.

VAT Flow Chart for clubs

A simple decision tool: whether to register for VAT, the VAT status of different income streams, and recovery opportunities in facility projects and club operations.

VAT Case Study Toolkit for clubs

Real-world club case studies with worked solutions, covering facility developments, grant-funded projects, VAT registration, fundraising and capital investment.

CLUB STRUCTURES

Club Structures Assistant

A free online tool, built by Muckle LLP (recommended Legal Professional Services to the Accredited Club Programme), that helps clubs assess their governance and legal structure and identify whether they need specialist support.

- Clubs answer an online questionnaire on their activities, governance and future plans, and are automatically placed in one of three levels by the support they need.
- A Process Guide is available in the PlayBook.

Open the Club Structures Assistant ›

Not for public sharing. A hidden link: signpost only to eligible clubs you are directly supporting.

Resource Sharing Agreement

Part of Better Everywhere and developed with Muckle LLP. For clubs where the senior section (the Senior Club) and the community or amateur section (the Junior Club) are housed in two separate legal entities.

- Puts an agreement in place for how the resources each entity holds are shared or used between them.
- Supports growing clubs adopting different structures, and the benefits and opportunities these bring.

TWO DOCUMENTS IN THE PLAYBOOK

- Toolkit: the Resource Sharing Agreement itself.
- Guidance Notes: to accompany the toolkit.

6 Workshops 2026

IN THE PLAYBOOK

Financial Controls and VAT 2026

WHO IT'S FOR

County FA staff, FA Club Consultants and club development practitioners.

WHAT IT COVERS

- Why financial controls matter and what good practice looks like across different club settings.
- How a club's legal structure influences its financial responsibilities.
- Budgeting, financial oversight, reporting requirements, tax implications and risk management.
- The role of technology in improving financial administration.

WHAT YOU TAKE AWAY

Practical checklists, review questions, case studies and digital tools to use straight away when supporting clubs.

Club Legal Structures and Governance 2026

WHO IT'S FOR

County FA staff, FA Club Consultants and senior club leaders, especially at clubs reviewing long-term plans, managing facilities, employing staff or planning to grow.

WHAT IT COVERS

- How legal status affects a club's growth, risk, investment, volunteer protection and access to funding.
- Advantages and limitations of each structure: unincorporated association, company limited by guarantee, company limited by shares, CIC and CIO.
- Incorporation: when it is appropriate and how it protects clubs, volunteers and assets.

WHAT YOU TAKE AWAY

Practical tools and decision-making frameworks to check whether a club's structure remains fit for purpose.

Both are aligned to the Thriving Community Clubs framework and use discussion, case studies and practical examples.
