All our ingredients are locally and sustainably sourced where possible, including ingredients from our own Nottingham Venues herb garden and our three University of Nottingham Campuses. Fresh produce is from local greengrocers and meat supplied from a local butcher.

Whilst Nottingham Venues takes all reasonable precautions to prevent allergen cross-contact and provide accurate allergen information, due to the shared nature of food production and service environments, the unintended presence of allergens cannot be completely excluded. Please speak to a member of our team for full allergen information.
